

MEASURE WORKSHEET

Be Prepared – And bring your measurements!

Using the graph paper below (see example), draw out each of your rooms and show the length of each wall (feet and inches). Show the closet location, if any, and the size of each wall. Bring this form in and one of our sales associates will tell you what size flooring you need to buy.

WOOD EVENT!

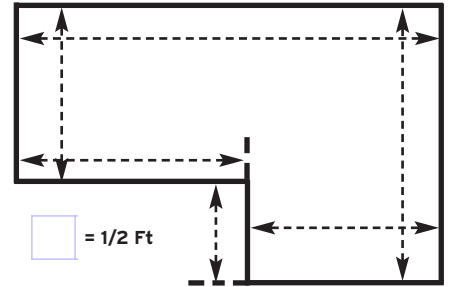

May 29th, May 30th and May 31st

At Least 75% off Typical Retail Prices.

Event Hours: Sat., 5/29 10am-6pm •

Sun., 5/30 10am-5pm • Mon., 5/31 10am-6pm

Measure each wall in the room. For stairs, count each tread and measure the width of the tread.

A large grid of graph paper for drawing room layouts. The grid is composed of small squares, each representing 1/2 foot by 1/2 foot.
